paxion class 1971

the class of 1971 entered fairfax in the midst of pounding hammers and buzzing saws, during the construction of the new fairfax physical plant. we were thoroughly confused, but quickly adjusted to our new environment.

we elected vicky werner to guide our b10 class. we were split factions and still subsconsciously loyal to our respective junior high schools, and vicky attempted to unite us.

frida popik became our a10 leader. in order to raise money for our treasury, "old time" movies were shown to our class during lunch. we also enjoyed a cracker jacks sale and a doughnut sale. feminine leadership again was made evident as lily ungar was elected the b11 class president. for the first time, our class met as one whole body in a huge meeting in the auditorium. inasmuch as we were becoming closer as a class, we were also beginning to focus our attention on the outside world and to broaden ourselves as individuals.

gary meyer was elected to be our a11 president. under gary, we chose our class colors, navy blue and red, and decided on a class name. the class of 1971 now became the paxians, lovers of peace. gary completely planned a junior prom, but the activity fell through as a result of the teachers' strike.

we entered our senior year under the guidance of co-presidents irving hellman and aleta braxton. their cabinet included secretary caryl flanzbaum and treasurer beverly baseman. our first activity of the fall semester was the "paxian pow-wow," a fried chicken lunch held on the grass in detter court. the class newspaper, "the peaceful press," made its debut under aleta. it contained information, stories, and jokes submitted by members of the class.

in our final class election, sue marshall was chosen to lead the paxians. our hard working cabinet consisted of vice president robin berman; secretary sylvia greenspan; treasurer sheri kocen; and historian caryl flanzbaum. our class project was introduced, and we raised money for a hematology microscope for the city of hope in honor of one of our classmates. to raise this money, we had various bake sales, and we sold navy and red buttons and bumper stickers which were flashed all over fairfax, reading "have hope 1971." we also had a paxian talent show. there were many excited individuals when class favorites and ephebians were announced. one day in june, the class piled into buses and spent a tremendous day and evening in the magical kingdom of disneyland.

we ended our stay at fairfax with something distinctively new to the school—a beautiful night graduation. the next evening, june 17, we held a most memorable event, a senior prom on a ship. we must attribute our successful semesters also to our principal, mr. miller, and to our vice principals, mrs. liddle and mr. cheetham. a special thank you to our most wonderful and devoted sponsor, dr. hummel. we must not forget all of our other fine administrators, teachers, and counselors, who have all been so understanding.

we leave fairfax having shared many experiences that we had hoped to encounter in high school, and many others that we had never dreamed would confront us. we will now continue along our individual paths, some to go directly into the adult world and others to do the same after an interlude in colleges or universities. as we wend our way through life, we will always remember with fond memories, fairfax high school.

sincerely,

Sue Marshall

it was 41 years coming. not since 1929 did fairfax win a city championship in any sport; never did they win in cross country. however, in 1970, the varsity cross country team composed of the finest aggregation of runners in fairfax history, whose goal was to "run to the top," did just that. after racing through 7 dual meets undefeated and capturing the east valley league title, the lions continued on to win the city championship, the pinacle of achievement.

this memorable season began against traditional cross-town rival university high. the lions easily disposed of them placing 2 through 7, winning 20-39. in the final tune-up before league competition, up against monroe, the harriers gave an indication of their potential strength as they captured one through five and seven to win 15-44. howard snider set a new school record, erasing the old mark held by teammate juan maldonado, in his winning effort (10:21)

the lion runners opened defense of the league title against hollywood without the services of injured howard snider. however, they still swept the top 5 spots with junior charlie bernick takink up the slack placing fifth (10:58). the next meet against sylmar, the team that wound up taking third in the city, was to decide the dual meet championship. keith aaron, a senior who had no cross country experience previous to this year, took out a blistering pace, leading the lions to a hard founght victory (25-30). the rest of the dual meets were just formalities. mr. juan-derful, juan maldonado, led the harriers through the rain to sweep the top 6 places, beating grant 15-45. the next meet against verdugo hills brought on another sweep 15-44, with tom "flash" flesch, the only junior on the squad, racing to a personal best of 10:34. the lions formally captured the league crown against north hollywood. in this race, gary greene, mr. consistent, won his first varsity cross country race (10:31). five days later, these six champions gave the finest performance ever by a fairfax cross country team. they placed first in league finals, taking 5 out of the first 7 spots, scoring only 20 points. juan maldonado regained the school record (10:13), running to a league championship in what was a most exciting race. howard snider wasn't far behind, running with maldonado until the end, placing 2nd in 10:17. gary greene, in a typically fine performance placed 4th (10.25), with tom flesch missing 5th place by second, taking 6th (10:31). keith aaron, despite a painful injury, was still able to place 7th.

almost as easily, the lions took their heat in city prelims with howard snider leading the way placing second. this set the stage for the day the lions were pointing for all season, dec. 12, city finals. although not one fairfax harrier broke into the top 10, while granada hills (the second place team) managed three in there, a fantastic team effort gave the lions the title.

juan maldonado once again assumed the no. 1 position for the lions placing twelfth. he was followed closely by howard snider, 14th; gary greene, who ran a personal best (10:24), 16th keith aaron, 20th and tom flesch 23rd. two j.v.'s, adrian zubia and arnold ross, sacrificed personal honors, which they would have received in j.v. competition, to add depth to the varsity. adrian put in an excellent efort as he beat granada hills'

10th grade

fifth man to secure victory, running a personal best of 10.46.

the story of this remarkable season would be incomplete without mention of the person that brought this team to the city title, coach john kampmann. as for his merits as a coach, his record speaks for itself. in his four years as coach, mr. kampmann's teams have established a 24-4 dual meet record, captured 2 league championships and have placed 6th, 4th, and 1st in city. however, as one former runner put it, "mr. kampmann is unique in that he cares about all his runners, from the first man to the last."

the 1970 junior varsity cross country team was composed of experienced runners and aspiring new individuals. they came together and developed into a powerhouse of the east valley league compiling a fine 6-1 record. forming the powerful lion front line was the one-two punch of captain adrian zubia and arnold ross, followed by david lefkowitz, mike volk, keith gurnick, and alan strozer.

the lions began competition with two practice meets against university and monroe high schools. our cross-country rivals, uni, met their match as they were crushed 22-43. next to fall was monroe. arnold ross (recording his first win), led the team to a sweep over a team which went on to grab the city title in december. the lions won 15-40.

on october 23, the j.v.'s entered league competition against hollywood. the shieks were knocked off their camels as 8 lions crossed the finish line before their first man. highlights of the race included david lefkowitz's fine 11:24 clocking. after hollywood came sylmar. the spartans proved to be too tough as they stifled our league championship hopes 24-40. a couple bright spots of the meet were mike volk's 11.38 clocking and adrian zubia's new school record of 11:40. the grant lancers seemed to be all washed up as the lions swept 15-60 on a rain soaked course. fairfax ran 11 of the first 13 places to bounce back from their only defeat of the season. continuing on their winning ways, the j.v.'s put down a weak fight given by the verdugo hills contingent. keith gurnick made it a complete sweep recording his season's best time of 11:42. the mighty lion machine rolled on to overpower a high-spirited north hollywood team. but on this day, spirit was little help as fairfax swept the race. in their final league race, adrian zubia and alan strozer performed at their best. adrian ran a strong 10:57, bettering his school record, and alan covered the course in a swift 11:39.

league finals saw fine individual efforts but the team's success was limited to second place. lions who made all league honors included adrian zubia (2nd place), arnold ross (3rd place), and david lefkowitz (7th place).

after league finals, arnold and adrian were elevated to the varsity squad to add needed depth to the team. this, of course, eliminated hopes for a j.v. city title, and the season ended as the lions placed 6th in city semi-finals.
first year runners on the team were bruce waterman, mike sauer, bruce gilbert, norbert flink, and martin hyman. also adding depth to the

team were terry miller and william b a rt h who were unfortunately plagued with early injuries. richard zinar, the "work horse" of the team, had a most frustrating season but came through at the end to make it to the "big competition". the 10th graders started their season on a note of hesitation, going on, however, to end the season as the east valley league's number 2 team, thus earning a birth in the city semi-finals.

the 10th grade distnce men kept up what in recent years has become a tradition, by beating crosstown foe university high school 26 to 31 in their first preseason meet. in their second preseason meet the 10th grade harriers met strong opposition from an inspired monroe team. bob (run like the wind) paced the lions with a personal season best of 12:17. but monroe was just too much for this inexperienced 10th grade team as they swept the first 6 places to defeat fairfax 15 to 59.

the "mighty lions" opened their dual meet season dazed from their losses to monroe. but the captain warren klein proved the hero of the day pacing the 10th graders to a narrow 27 to 28 victory over opposition hollywood and capturing a first place for himself.

the second meet of the season was billed as the contest to determine the leagues number 1 team. to spite the valiant efforts of warren klein, steve goldstein, joel covelman and the rest of the lion squad, not to mention a brilliant 1st half of the race by lee rittenburg the lions just could not make the pieces fit as they lost to sylmar 16 to 50 the next week saw inclement weather at pierce college. with the meet on the verge of being called off the lions struggled through the muddy college course losing to grant by a score of 24 to 31.

with mid-season fast approaching the lions gained a new team member, lloyd scott, who added the depth sorely needed by the squad. in only his second race lloyd took up the standard of side-lined team captain warren klein; running an excellent time of 12:03 lloyd scott followed by don marshall, lee rittenburg, steve goldstein, and f i n a l l y joel covelman running 12:13. in a sport where group running is so important only 10 seconds elapsed between the first and last man as fairfax smashed verdugo hills.

the season closed with a convincing victory over north hollywood. in this race warren klein and joel covelman produced personal best of 11:42 and 11:52 which they both duplicated in city semi-finals.

the fleet-footed 10 graders rolled on to league finals where lloyd scott ran an excellent 11:18 to place 6th overall followed by don marshall with an elapsed time of 11:51, to place 11th, with joel covelman 15th, steve goldstein 16th, warren klein 18th, and lee rittenburg 24th.

although the lions were halted here, city semi-finals seem to have brought out the best in this young team as 6 men recorded personal bests with excellent times by lloyd scott 11:08, warren klein 11:42, don marshall 11:43, joel covelman 11:52, and steve goldstein 11:56.

varsity basketball

for the first time in nearly a generation, fairfaxs' varsity basketball team won a league title. winning became a habit in the 1969-'70 season. that year, varsity finished second in league and went to the city playoffs. fairfax can be justly proud of the great record of the past year. keyed by all-city player, captain chris parker, all-league guard, sophomore steve cantor, 2nd team all-league forward conrad lewis, 2nd team league guard steve segal, and the unheralded billy hudson, who filled in so well when all-city candidate adrian tann was declared ineligible before the league season began.

Lion basketeers:

*undefeated league season
*best defense record in the city for 1970-'71
*tied for the longest winning streak in the city, 14 in a row, (as did san fernando high)
*first undefeated league season in fairfax history
*longest winning streak in fairfax his-
*tory
*defeated locke high in the opening playoff round-first playoff win in over 20 years
*ranked 8th in the city

the key to the season appeared to be an early season win over dorsey, always a tough opponent.

during the league season, the lions took tough wins from north hollywood (one time in overtime) and over grant on tv. after an opening practice game loss to granada hills, and until eventual city champs crenshaw high defeated the lions in the city quarter finals, 14 consecutive wins were chalked up by the varsity. it is only right to mention that no team can win without bench strength, and from time to time, so did the other players in the accompanying picture. big, enthusiastic crowds came and cheered. this too helped!

c. parker, coach beagel, a. tann.

j.v. basketball

for the j.v.'s, it was a pretty good year. the only problem was 2 league defeats to hollywood's j.v.'s, who won the league j.v. title. the j.v.'s were led by all-league guard, co-captain steve farrar and all-league forward marc tomlin, and 2nd team league guard, co-captain daryl brooks. the loss of tough dave rotstein with a broken leg half-way thru the season could have been the reason the j.v.'s did not win the league title. steve enge's rebounding, pat echeverria's great playmaking, and help from most of the other fellows were responsible for a very fine year, 12 wins - 4 losses overall, and 8 wins, 2 losses in the league. the highlite was a record-setting win over roosevelt high, when the j.v.'s scored a school record 103 points. the j.v. finished 2nd in the league.

the bee basketball team, buoyed by the return of seven 1970 lettermen and excellent newcomers, compiled a 7-3 league record and a three-way tie for the league championship with grant and north hollywood. the bees were led by co-captains ralph rozenek and steve marshall who both made 2nd team all-league and kevin barrett who was a 1st team selection. butch fromer made honorable mention.

the cee basketball team swept to a league title with a 9-1 record. all five starters earned all-league mention. forward ricardo thomas was the league's most valuable player. lynol phillips earned a spot on the first team. co-captains super-c ron rishe and arthur yee made 2nd team and honorable mention respectively while peter duffy also made honorable mention.

the 1970 football season was certainly not a pleasant one for lion coaches or gridders. the initial outlook for the season was bright, and then came the injuries. two starting offensive tackles, wilbert radford and gary weiner sustained broken arms, and were lost for early season games . . . the first of a rash of nagging and incapacitating injuries.

perhaps the most crushing of all came with less than two minutes of the first practice game of the year against tough and aggressive, wilson, when a mule defensive back picked off a pass and raced 40 yards in the lion end zone for the first score of the game. the afternoon was long for fairfax as the final score was 51-0 in favor of wilson, as the lions crawled home after feeling the huge "kick" from the mules.

trying to regroup their forces, fairfax hosted the northern league champion, franklin on van cleve field. in a tightly fought battle (scoreless at half time) the lions roared being the outstanding all-around play of running back craig scott . . . three pass interceptions, four pass receptions, 95 yards rushing, and one touchdown; tackle jon bruce whose fumble recovery in the franklin end zone with two minutes left in the game, iced the 13-6 victory along with the clutch pass receptions by tight end bill kornfeld.

however, the season might well have ended there, as the lion gridders were faced with set back after set back . . . in east valley league play, fairfax played their truly finest game of the year against long time rival, hollywood. fighting valiantly from a three touchdown deficit, to lose 26-13. junior running back, alvin alcorn ran for an all time best 95 yards in starting his first varsity game. defensive backs gary toner and alan kohn were superb in the loss, along with tenth grader ken bruce, jon bruce, and jeff bornstein.

although the seasonal record is one the

defense g. toner, a. yamani, k. bruce, j. bruce, a forney, a. kohn, d. walker, j. bornstein, j. maeshiro, r. blech, m. johnson.

fairfax football following would like to forget, coaches al dellinger and neil stone must be credited with much patience and some insight for the future as by the start of the league season, the lion eleven consisted of only two seniors on defense, and four seniors on the offensive unit.

those young players who received their initiation into the hard world of football, who represent the fairfax future are: alvin alcorn, jeff bornstein, ken bruce, mike johnson, alan kohn, bill kornfeld, william goodson, jack mascherio and stan schure.

not to be completely shut out during the year, fairfax placed three outstanding football players on the east valley league team chosen by the coaches.

john kohn . . . . . defensive tackle
alan kohn . . . . . linebacker
stuart koblen . . . . . offensive guard

honored by their teammates at the annual football banquet the following athletes received awards:

alan kohn . . . . . most outstanding
ken bruce . . . . . aron rosenberg award
david rane . . . . . most improved
david blanco . . . pride . . . pain . . . guts
(presented by team physician, dr. jerome bornstein.)

lion baseball hopes looked promising for fairfax in 1971. the team led by 8 returning lettermen, got off to a fine start winning its 3 practice games and defeating hollywood in its league opener 12 to 1. however, at the easter-break the teams record was a disappointing 3 wins and 4 losses. this was due primarily to inconsistent pitching and hitting.

at the mid season the lions are leading the league in hitting with a team average of .305. the outstanding hitters include: junior dave nyberg, george iscovich, carl fenton, jack maeshiro and mark rolph.

defensively, the fairfax team have played well. leading the lion gloves are catcher alan zaentz, short stop jami castiel, out fielders joe szylewicz, mitch harmatz and paul cohen.

the 1971 pitching staff consists of senior mark rolph, and juniors jack maeshiro and mitch harmatz. these pitchers have done a fine job, however, due to a lack of depth and experience

r. albert, j. alter, b. fields

the staff is having its problems.

with half a season to go coach k. badran still expects big things from this team. with a chance for a city play-off spot he expects this team to display its talents and make a run at the league leaders.

gymnastic teams at fairfax high have traditionally been represented by quality teams . . . and the 1971 season is no different. although the season was still in progress when this annual went to print, the lion gymnasts had already "chalked" up more dual meet victories than any other squad since 1962.

this year's rules were subjected to radical change in requirements — each school was required to have one gymnast compete in the six olympic events (long horse, floor exercise, side horse, horizontal bar, parallel bars, and rings). coach neil stone was able to use fairfax's finest gymnast in many years as his all-around entrant. It can be confidently stated that goldsmith will be the east valley league all-around champion, as he has already soundly outpointed his stiffest competition in an earlier meet. also, dave will pick up individual first place awards in floor exercise and the parallel bars, a fourth place trophy on the rings, and another fourth place on the tumbling mats. dave will also place in the top five gymnasts in the all-city meet as an all-around performer.

as has been mentioned, quality was exhibited by the lions, as larry russ paced third in league on the rings and fifth on the parallel bars. gary toner successfully defended his long horse title won as a junior with an excellent yamashita vault . . . which will also place him in the top five vaulters in the city meet. toner also competed in floor exercise, horizontal bar and tumbling.

seniors closing out fine careers at fairfax are frank sassoon, long horse, floor exercise, and tumbling; irving hellman, long horse, floor exercise, hi-bar, parallel bars, and tumbling; richard sloane, long horse, floor exercise, and tumbling; co-captain richard henkin, rope, side horse, and rings; and thomas eckley, side horse.

a fine crop of juniors sprinkled additional skills led by the most improved gymnast, michael schuman who climbed rope, floor exercise, parallel bars, rings, and tumbling; robert plotke, rope, hi-bar, rings, and tumbling; specialists larry muller, rings; michael hanan, side horse; bruce mazer, hi-bar, and alan wong, rope.

perhaps the most pleasing part of this year's team was the presence of the finest group of tenth graders in many a year turn out for gymnastics . . . competing in their first year were alan toplitsky, hi-bar, and parallel bars; guy eisner, rings and rope; charles marcus, rope; stuart robinson, side horse; kevin struck, side horse; and lenord plotke, long horse.

other fine tenth graders who represent the lion future are richard wyatt, murry wagner, lonnie adelman, gary liberman, and lenardo rameriz.
